

Theodore's Thoughts

"We should insist that if the immigrant who comes here does in good faith become an American and assimilates himself to us he shall be treated on an exact equality with every one else, for it is an outrage to discriminate against any such man because of creed or birth-

place or origin.

But this is predicated upon the man's becoming in very fact an American and nothing but an American. If he tries to keep segregated with men of his own origin and separated from the rest of America, then he isn't doing his part as an American. There can be no divided allegiance here. . . We have room for but one language here, and that is the English language, for we intend to see that the crucible turns our people out as Americans, of American nationality, and not as dwellers in a polyglot boarding-house; and we have room for but one soul loyalty, and that is loyalty to the American people."

"HOW TO DESTROY AMERICA"

Dick Lamm, the former Governor of Colorado, gave this speech to an awestruck audience. Read on and you will see why.

"If you believe that America is too smug, too self-satisfied, too rich, then let's destroy America. It is not that hard to do. No nation in history has survived the ravages of time Arnold Toynbee observed that all great civilizations rise and fall and that "An autopsy of history would show that all great nations commit suicide."

"First, to destroy America, turn America into a bilingual or multi-lingual and bicultural country." History shows that no nation can survive the tension, conflict, and antagonism of two or more competing languages and cultures. It is a blessing for an individual to be bilingual; however, it is a curse for a society to be bilingual. The historical scholar, Seymour Lipset, put it this way: "The histories of bilingual and bi-cultural societies that do not assimilate are histories of turmoil, tension, and tragedy." Canada, Belgium, Malaysia, and Lebanon all face crises of national existence in which minorities press for autonomy, if not independence. Pakistan and Cyprus have divided. Nigeria suppressed an ethnic rebellion. France faces difficulties with Basques, Bretons, and Corsicans."

Second, to destroy America, invent 'multi-culturalism' and encourage immigrants to maintain

their culture. I would make it an article of belief that all cultures are equal, that there are no cultural differences. I would make it an article of faith that the Black and Hispanic dropout rates are due solely to prejudice and discrimination by the majority. Every other explanation is out of bounds.

Third, "We could make the United States a 'Hispanic Quebec' without much effort. The key is to celebrate diversity rather than unity. As Benjamin Schwarz said in the Atlantic Monthly recently: "The apparent success of our own multi-ethnic and multi-cultural experiment might have been achieved not by tolerance but by hegemony. Without the dominance that once dictated ethnocentricity and what it meant to be an American, we are left with only tolerance and pluralism to hold us together." Lamm said, "I would encourage all immigrants to keep their own language and culture. I would replace the melting pot metaphor with the salad bowl metaphor. It is important to ensure that we have various cultural subgroups living in America enforcing their differences rather than as Americans, emphasizing their similarities." "

Fourth, I would make our fastest growing demographic group the least educated. I would add a second underclass, unassimilated, undereducated, and antagonistic to our population. I would have this second underclass have a 50% dropout rate from high school"

"My fifth point for destroying America would be to get big foundations and business to give these efforts lots of money. I would invest in ethnic identity, and I would establish the cult of 'Victimology.' I would get all minorities to think that their lack of success was the fault of the majority I would start a grievance industry blaming all minority failure on the majority population."

"My sixth plan for America's downfall would include dual citizenship, and promote divided loyalties. I would celebrate diversity over unity. I would stress differences rather than similarities. Diverse people worldwide are mostly engaged in hating each other - that is, when they are not killing each other. A. diverse, peaceful, or stable society is against most historical precedent. People undervalue the unity it takes to keep a nation together. Look at the ancient Greeks. The Greeks believed that they belonged to the same race; they possessed a common language and literature; and they worshiped the same gods. All Greece took part in the Olympic games. A common enemy, Persia, threatened their liberty. Yet all these bonds were not strong enough to overcome

Uncommon Sense

The Journal for the Uncommon, Common Man

two factors: local patriotism and geographical conditions that nurtured political divisions. Greece fell. "E Pluribus Unum" – From many, one. In that historical reality, if we put the emphasis on the 'pluribus' instead of the 'Unum,' we will balkanize America as surely as Kosovo."

Seventh: I would place all subjects off limits; make it taboo to talk about anything against the cult of 'diversity.' I would find a word similar to 'heretic' in the 16th century - that stopped discussion and paralyzed thinking. Words like 'racist' or 'xenophobe' halt discussion and debate. Having made America a bilingual-bicultural country, having established multiculturalism, having the large foundations fund the doctrine of 'Victimology,' I would next make it impossible to enforce our immigration laws. I would develop a mantra: That because immigration has been good for America, it must always be good. I would make every individual immigrant symmetric and ignore the cumulative impact of millions of them.

"When Lamm was finished with his speech, the room was deadly still. There was no applause but you could sense the chill that came from the fear of recognition of the truth that had been spoken. We see that Lamm's vision for America is proceeding methodically, quietly, darkly yet pervasively across the United States today. Discussion is being suppressed. Over 100 languages are ripping the foundation of our educational system and national cohesiveness. Barbaric cultures that practice female genital mutilation are growing as we celebrate 'diversity.' American jobs are vanishing into the Third World as corporations create a Third World in America - take note of California and other states – to date, 10,000,000 illegal aliens and growing fast. It is reminiscent of George Orwell's book 1984." In that story, three slogans are engraved in the Ministry of Truth building: "War is peace," "Freedom is slavery," and "Ignorance is strength."

JOE LEGAL vs. JOSE ILLEGAL

You have two families: "Joe Legal" and "Jose Illegal". Both families have two parents, two children, and live in California.

Joe Legal works in construction, has a Social Security Number and makes \$25.00 per hour with taxes deducted.

Jose Illegal also works in construction, has NO Social Security Number, and gets paid \$15.00 cash "under the table".

Ready? Now pay attention...

Joe Legal: \$25.00 per hour x 40 hours = \$1000.00 per week, or \$52,000.00 per year. Now take 30% away

for state and federal tax; Joe Legal now has \$31,231.00.

Jose Illegal: \$15.00 per hour x 40 hours = \$600.00 per week, or \$31,200.00 per year. Jose Illegal pays no taxes. Jose Illegal now has \$31,200.00.

Joe Legal pays medical and dental insurance with limited coverage for his family at \$600.00 per month, or \$7,200.00 per year. Joe Legal now has \$24,031.00.

Jose Illegal has full medical and dental coverage through the state and local clinics at a cost of \$0.00 per year. Jose Illegal still has \$31,200.00.

Joe Legal makes too much money and is not eligible for food stamps or welfare.. Joe Legal pays \$500.00 per month for food, or \$6,000.00 per year. Joe Legal now has \$18,031.00.

Jose Illegal has no documented income and is eligible for food stamps and welfare. Jose Illegal still has \$31,200.00.

Joe Legal pays rent of \$1,200.00 per month, or \$14,400.00 per year. Joe Legal now has \$9,631.00.

Jose Illegal receives a \$500.00 per month federal rent subsidy. Jose Illegal pays out that \$500.00 per month, or \$6,000.00 per year. Jose Illegal still has \$31,200.00.

Joe Legal pays \$200.00 per month, or \$2,400.00 for insurance. Joe Legal now has \$7,231.00.

Jose Illegal says, "We don't need no stinkin' insurance!" and still has \$31,200.00.

Joe Legal has to make his \$7,231.00 stretch to pay utilities, gasoline, etc.

Jose Illegal has to make his \$31,200.00 stretch to pay utilities, gasoline, and what he sends out of the country every month.

Joe Legal now works overtime on Saturdays or gets a part time job after work.

Jose Illegal has nights and weekends off to enjoy with his family.

Joe Legal's and Jose Illegal's children both attend the same school. Joe Legal pays for his children's lunches while Jose Illegal's children get a government sponsored lunch. Jose Illegal's children have an after school ESL program. Joe Legal's children go home.

Joe Legal and Jose Illegal both enjoy the same police and fire services, but Joe paid for them and Jose did not pay.

Any questions?
